Matters arising. There were no matters arising that were not listed on the agenda or discussed during the meeting.

3. Reports –

Easter Fun Run – 31st March – Sharley Park Grounds and The Bret Club. Due to torrential wet weather the actual run did not go ahead but in its place there was a Games Event in the Bret Club followed by an Easter Egg Hunt. This consisted of relay races and other games that were part of the run's obstacles. All children received an Easter egg each for taking part in the sports event and also the Easter Egg Hunt. Donations were made by members, the council allowed us to use the grounds free of charge and we did not use St John's Ambulance (therefore no charge). The event managed to be able to donate to Andy Hibberd's Prostate Cancer Charity just over £200. There were many positive comments on facebook from the local community and the Events team certainly have experience in organising a fun run, ready for next year.

Clay Cross on the Beach – DY is liaising with a gentleman that runs fairgrounds/events in Newark/Mansfield for a costing of doing the same at this event.

AK is liaising with the council re permission to use the car park again for the two days and any licence we would require.

The members of the Clay Cross Rotary would like to have a stall at the event.

4. Current Issues and Projects.

Events Meeting – a date will be set and all members emailed when the next meeting is set up to get ready to organise Clay Cross on the Beach..

5. New Members Joining – AH visited Gemma Hayes – accountant on Market Street with a membership form. JH has been corresponding with Indie Rae who has a shop on the High Street.

6. Newsletter, website update and facebook – There have not been any run ons from Wings magazine which has kept the cost down and enabled the membership cost to stay the same. AH will look into the updated GDPR to see if the website or facebook needs updating. If anyone else has any experience of this with their business please email Amanda with any advice/guidance –

7. Report on financial position

To keep the cost of the Wings Magazine we need 30 members to be using the £120 per year subscription. At present there is availability for this – please speak with AK regarding this. AK produced a draft receipts and payment account for the year ended 31 March 2018 showing an overall excess of payments over receipts of £302 and a total cash and bank balance of £2,394 at 31 March 2018, before deducting an outstanding bill of £600 for the April/May edition of the Wings Newsletter..
