Apologies: see AGM minutes

2. Minutes of the last meeting on 21 August 2018 had been circulated previously by email and were signed by DY this evening, as a true record. **Matters arising** – it was noted that the Clay Cross Rotary manned the hook a Duck for a short time on the Friday, due to other commitments. The rest of the weekend was manned by the CXTCG..

3. Reports – The Clay Cross on the Beach – was once again very successful. The finance for the cost of the play sand , hiring the Punch and Judy for the 2 days and other small purchases, were covered by donations from the community and some members, the CXTCG fund raising stalls and the stall holders that came for the weekend.

4. Current Issues and Projects. – Clay Cross on the Beach

Although the Clay Cross on the Beach Event was a success it has highlighted that the same Clay Cross Town Centre Group members are the ones that are either donating finance or prizes to the event or giving up their time for the event. The event would not have been able to run without the help of many people that are not members of the group. The community of Clay Cross along with the local businesses benefit from this event. The benefit of these events for businesses is to promote Clay Cross shops and services, as well as a thank you to the community of Clay Cross who support our businesses. Many businesses are able to take advantage financially and also market themselves via these events. We all have businesses to run and busy lives but “many hands make light work”.

5. New Members Joining – Clay Cross Town Juniors are the latest new members of the group.
